### Kona Fire Rock Pale Ale, Kailua-Kona, Hawaii ABV 6% 7

Fire Rock Pale Ale is crisp, refreshing "Hawaiian-style" pale ale. Its signature copper color Results from the unique blend of specialty roasted malts. The pronounced citrus-floral hop Aroma comes from the liberal amount of hops added to each brew

### Sierra Nevada Hop Hunter IPA, Southern California ABV 6.2% 6

Hop Hunter IPA harnesses the complex flavors of just-picked hops through an all-new method of steam distilling wet hops before they even leave the fields. This revolutionary technique captures and intensifies the natural flavors, creating a unique and intensely aromatic beer

### Sculpin IPA, San Diego, California ABV 7% 12

After years of experimenting, we knew hopping an ale at five separate stages would produce something special. The result ended up being this gold-medal winning IPA, whose inspired use of hops creates hints of apricot, peach, mango and lemon flavors, but still packs a bit of a sting, just like the sculpin fish.
